This situation underscores the importance of ergonomic furniture in maintaining employee health and efficiency. To address this, I recommend acquiring a mesh ergonomic chair with adjustable height, lumbar support, and tilt features. Such a chair would promote proper posture, reduce discomfort, and support my productivity. Based on market research and available options within the company's procurement guidelines, I believe a budget of \$250 would suffice to secure a suitable model. I kindly request your approval to proceed with this procurement process. I am confident that this investment will contribute positively to my work performance and overall well-being. Thank you for considering my request.
